Endowment Fund for Education (EFFE) Scholarship Application

This scholarship was created through the generosity of BioCommunications Association (BCA) members and friends to support educational opportunities for full-time undergraduate or graduate student pursuing a career in scientific/biomedical visual communications, at an accredited school.

Eligibility

Applicant must be enrolled in an accredited college or technical school program as a 2nd, 3rd, or 4th year student, or working in the field and returning for graduate study. Membership in the BCA is not a requirement. Scholarship awards will be paid to the institution of higher education at which the student is or becomes enrolled. Please send the exact name of the department/person to whom the check should be made out. Members of the Selection Committee, or their relatives, are ineligible for this award.

Instructions

Completed scholarship application and additional support materials should be submitted to the current EFFE Committee Chair. Please read all guidelines and include the required materials.
